A Family Reunion for God's Children

John 17:23 ~ "I in them and You in Me. May they be brought to complete *unity* to let the world know that You sent Me and have loved them even as You have loved Me."

Throughout scripture, followers of God are called to **unity**.
It is our prayer to be committed to the unity of the Church;
to pray for other churches in our community
and for Christians of every denomination to be blessed and effective in ministry.

The 3rd Annual FISH FEST is quickly approaching! This year it will be a combined event of community outreach as well as a celebration for God's children. We would like to take this opportunity to invite your church to come and join with us in this event. It is our hope to reach out to our community and unite them in God's love. Our goal is to have all local churches represented by having an information booth showcasing their ministry opportunities, along with a carnival type game. We welcome those with the gift of music to share their songs. If your church has any ministries or upcoming events they would like to promote, you may give a public service announcement of up to 2 minutes. We would like the pastors, who feel led to speak to please do so.

Please see the attached forms for tentative schedules, deadlines, and a registration form for your church.

We look forward to uniting with your church in fun, fellowship, worship, and prayer!

God Bless Each of You!
